| What is the overall <br> deductible? | Single: $\mathbf{\$ 5 , 0 0 0}$ per Benefit Year <br> Family: $\$ 5,000$ /individual or <br> $\$ 10,000 / f a m i l y ~ p e r ~ B e n e f i t ~ Y e a r ~$ | Generally, you must pay all of the costs from providers up to the deductible <br> amount before this plan begins to pay. <br> If you have other family members on the plan, each family member must <br> meet their own individual deductible until the total amount of deductible <br> expenses paid by all family members meets the overall family deductible. |
| Are there services <br> covered before you <br> meet your <br> deductible? | Yes. Preventive care services are <br> covered before you meet your <br> deductible. | This plan covers some items and services even if you haven't yet met the <br> deductible amount. But a copayment or coinsurance may apply. For |
| example, this plan covers certain preventive services without cost-sharing <br> and before you meet your deductible. See a list of covered preventive <br> services at https://www.healthcare.gov/coverage/preventive-care-benefits. |  |  |

[^0]| Will you pay less if you use a network provider? | See <br> www.QuartzBenefits.com/FindADoct or or call 1-800-362-3310 for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| :---: | :---: | :---: |
| Do you need a referral to see a specialist? | In-Network providers: No. Out-of-Network providers: Yes, written referral is required. | In-Network: You can see the specialist you choose without a referral. Out-of-Network: This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
