The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.QuartzBenefits.com/certlookup](http://www.QuartzBenefits.com/certlookup). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call Customer Success: 1-800-362-3310 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <a href="#">deductible</a> ?	Individual: <b>\$500</b> per Benefit Year Family: <b>\$500</b> /individual or <b>\$1,000</b> /family per Benefit Year	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay.  If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> services and <a href="#">prescription drugs</a> are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain preventive services without cost-sharing and before you meet your <a href="#">deductible</a> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Individual: <b>\$9,000</b> per Benefit Year Family: <b>\$9,000</b> /individual or <b>\$18,000</b> /family per Benefit Year	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services.  If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges (unless <a href="#">balance billing</a> is prohibited), adult dental <a href="#">coinsurance</a> , and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p>Yes.</p> <p>See <a href="http://quartzbenefits.com/select">http://quartzbenefits.com/select</a> or call 1-800-362-3310 for a list of <a href="#">network providers</a>.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use an out-of-<a href="#">network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance billing</a>). Be aware, your <a href="#">network provider</a> might use an out-of-<a href="#">network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>
<p><b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b></p>	<p>In-<a href="#">Network providers</a>: No. Out-of-<a href="#">Network providers</a>: Yes, written <a href="#">referral</a> is required.</p>	<p>In-<a href="#">Network</a>: You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a>. Out-of-<a href="#">Network</a>: This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a>.</p>

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
