What is the overall deductible?	Individual: \$0 per Benefit Year Family: \$0 /individual or \$0 /family per Benefit Year	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. Preventive care services and prescription drugs are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Individual: \$9,200 per Benefit Year Family: \$9,200 /individual or \$18,400 /family per Benefit Year	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance billing charges (unless balance billing is prohibited), adult dental coinsurance , and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See http://quartzbenefits.com/select or call	This plan uses a provider network . You will pay less if you use a provider in the plan 's network . You will pay the most if you use an out-of- network provider , and you might receive a bill from a provider for the difference between the provider 's charge and what your plan

	1-800-362-3310 for a list of network providers .	pays (balance billing). Be aware, your network provider might use an out-of- network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	In- Network providers : No. Out-of- Network providers : Yes, written referral is required.	In- Network : You can see the specialist you choose without a referral . Out-of- Network : This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .
