Read Your Policy Carefully – This outline of coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR POLICY CAREFULLY!

Policies of this category are designed to provide, to persons insured, coverage for major hospital, medical, and surgical expenses incurred as a result of a covered accident or sickness. Coverage is provided for daily hospital room and board, miscellaneous hospital services, surgical services, anesthesia services, in-hospital medical services, and out of hospital care, subject to any deductibles, co - payment provisions, or other limitations that may be set forth in the policy. Basic hospital or basic medical insurance coverage is not provided.
